## LET THE 2017 GOLF SEASON BEGIN!

**A**nother golf season begins at Twin Lakes! It's always exciting for us in early spring when we see the golf course green up more and more every day. And, boy, did it ever green up early this year! Soon we will be celebrating the start of the season with Men's Opening Day, April 22, and Ladies' Opening Day, April 25. Please check out the schedule on our website or on the back page of this newsletter.

Please be advised of the dress code in effect after Men's Opening Day. Proper attire is listed on the back page.

This is the first of seven newsletters during the season. Please check our website after the first of each month, April—October, when the new one will be posted.

As you can see, Twin Lakes has already taken in a number of new members this year. When you see a new face, take a moment to introduce yourself and welcome them to Twin Lakes. We hope to see you and good weather here soon!

Don't forget to check the website for course conditions. If it says cart paths only, you know what that means!

WELCOME TO OUR NEW MEMBERS  
AND A BIG THANK YOU TO THEIR SPONSORS

## **MEN'S & WOMEN'S OPENING DAYS IN APRIL**

**H**appy spring! As always, I hope this newsletter reaches you in good health and spirits. Although it has been a slow start to the season, warmer weather shall prevail. Hopefully April will bring warm and dry weather for us to enjoy.

Mark your calendar for the opening day events. Men's Opening Day is Saturday, April 22. It all starts with complimentary continental breakfast and Bloody Marys before the 9 a.m. shotgun start. The format will be a scramble. This is a fun event to start the season. Please make sure you sign up to enjoy this great event. The Ladies' Opening Day is Tuesday, April 25. There will be a meeting and breakfast at 9:00 a.m. followed by golf. This is a great way to meet other ladies and to meet the golf staff. Please check out our website to view all upcoming events for the year:

[www.twinlakesgolfclub.com](http://www.twinlakesgolfclub.com).

You will see some new staff members that have joined the Twin Lakes family this year. Cliff Swallow started as our new chef February 1 and has brought a lot of great culinary ideas to the club. Also, we have a new assistant golf professional, Seth Powers who has brought youth and excitement. Please welcome both Cliff and Seth when you have an opportunity.

This spring we will be doing cart path repair to hole #7 and some other areas. This is part of our plan to resurface all the cart paths. The maintenance staff has been cutting down ash trees that have been effected from the Emerald Ash Borer. They have also planted a dozen trees to make up for the losses.

Please pass along the attractive 2017 membership program to any potential members. It is essential for the club to have a successful membership recruitment program this season. I would like to welcome all the new members to Twin Lakes and thank their sponsors. If you see a new member, please welcome them to the club. I look forward to seeing you out enjoying your club and for a great 2017 season!

## **WE'RE JUST WAITING FOR THE WEATHER!!**

**A**s April arrives, the golf season is slowly and awkwardly trying to get started. After a taste of great weather in February that got all of us geared up for an early spring, we reverted to a brief winter and have been on hold ever since in a cool, wet cycle. The wet conditions of the past few weeks have limited our ability to keep everything mowed just as growth is ready to explode with the first warm stretch. In spite of the awful golf weather so far, the course is starting out in great condition. Turf density is good in all areas. So when things dry and regular mowing occurs, playing conditions are great.

**DID YOU KNOW:** The Bradford Pear, which has bloomed beautifully for the last week, is an invasive plant. It is classified as an exotic invasive in almost all of the northeastern United States. Please find another flowering tree besides the pears.

Plans for the next few months include drainage projects on holes 12 and 2, root pruning behind the 12th green, an earlier than normal aerification of fairways to relieve some of the compaction resulting from the lack of a good freeze in the past two winters, (Freezing and thawing of the soil is nature's aerification.), and some tree stump removal.

All of our equipment is in great condition to begin the season. Ron Summitt, my assistant, does a great job of sharpening and maintaining our fleet of equipment. He delivers a quality of cut that is a cornerstone of turf health. Ron is starting his seventh season and is critical to our success. Josh Blazier, long-time crew foreman, also returns for his 14th season. He brings tons of energy and years of experience to Twin Lakes. Mike Mars is returning for his fourth season. He has greatly improved our bunkers with his drainage work and obsession with how they look and play. He, along with Ron and Josh, do the bulk of the mowing along with all the other daily tasks.

As for me, this is my 33rd season at Twin Lakes and my 38th as a superintendent. I began working at a golf course in 1970 and still love to come to work each and every day.

Please help us take care of your course by repairing ball-marks, replacing or filling divots, raking the bunkers and being responsible with golf cars and carts.

*John Westermeier, CGCS*

**APRIL LAWN TIP:** Pre-emergent for crabgrass prevention needs to be applied immediately. Products containing dithiopyr also have post emergent activity. Sharp blades mean great cut and healthy grass.

# New Assistant Golf Professional, New Golf Merchandise, New Season!

## J&W Golf Shop News

**H**ope you all are staying dry through this wet and rainy Spring we are having so far.

We have a new face here in the Golf Shop. We are excited to introduce the new Assistant Golf Professional, **Seth Powers**, to our staff. Many of you may have gotten a chance to meet Seth already. Seth is a graduate from Franklin College with a degree in Wildlife Biology and a 4 year starter on the baseball team. Seth also played baseball this past summer in Germany, and has previous experience at Hawks Tail Country Club in Greenfield, Indiana. Seth will be coaching the PGA Junior League and will be available for lessons and instruction throughout the year. Seth will bring a great enthusiasm and energy to an already friendly golf staff and we are very excited to have him join the team. Greg Hess, Dick Kitterman, and Greg Dodrill will be returning as familiar faces this season at the Club.

This season the **J&W Golf Shop** will have the latest from Callaway, Titleist and Odyssey putters as well as the latest golf apparel from Under Armour, Bermuda Sands, and New Balance. As always, we will have the best prices on the newest items out there. We will price match any local competitors and can order anything if we do not carry it in the shop.

**Callaway Demo Day...**Mark your calendars for Sunday, April 30th from 10-2. The reps from Callaway will be out to help you find the right equipment for your game. Come hit the brand new Callaway GBB Epic driver, fairway woods, XR Steelhead Hybrids and the new XR Steelhead Pro Irons.

**Spring Re-Grip Special...**The Spring is the perfect time to take an inventory on the condition of your golf grips. We will change and install grips for \$7 (selected grips) through the month of April.

**\*\*Don't forget to sign up for Men's and Ladies Ol' Buddy which will begin on May 1st\*\***

*Golf Shop Staff*

Meet the two new members of the Twin Lakes family, Seth Powers (top), new Assistant Golf Professional. Seth is a graduate of Franklin College where he played baseball as a starter all four years. He also played baseball in Germany. His past golf course work experience was at Hawks Tail Country Club in Greenfield, Indiana. Our new chef, Cliff Swallow (at left), comes to us from Daddy Jack's where he been a cook for the last 15 years. Cliff is bringing new culinary ideas to Twin Lakes, and he and Christian have an updated menu, with favorites still available. (see back page)
